## Halifax Congregational Church Statement of Consent

---

The covenantal relationship between a church and those called by that church to serve as pastors and teachers and in other ministerial positions is strengthened when vital information is openly shared by covenantal partners. To that end, we attest that, to the best of our abilities, we have provided information in this profile that accurately represents our church. We have not knowingly withheld any information that would be helpful to candidates. As the committee charged with the responsibility for identifying and recommending a suitable new minister for our church, we have been authorized to share the information herein with potential candidates

We understand that a candidate may wish to secure further knowledge, information, and opinion about our church. We encourage a candidate to do so, recognizing that an open exchange of relevant information builds the foundation for continuing and healthy relationships between calling bodies and persons seeking a ministry position.
